~*~ATTENTION~*~

We have had a wonderful start to the 2009-2010 school year! My history classes are in need of a volunteer or two to "lamine" our history notebook covers. I want to make sure that the students' hard work and pictures are protected. This will require volunteers to use packing tape (I will provide this) on the covers of the notebooks. Please e-mail me or send in a note if you are interested in helping us out with these fantastic notebooks! I would like to get this project done the week of August 31st.
