

## Roanoke: History's Mystery

1. The people of Roanoke simply left the settlement.
2. The whole population of Roanoke was killed by a disease.
3. The village was destroyed by a severe storm such as a hurricane.
4. The people of Roanoke decided to leave Roanoke Island to live with the Natives.
5. The American Indians killed the colonists.

Choose one theory that you feel best supports the disappearance of the colonists at Roanoke.  
Disprove the other four theories.
