The Portuguese:

discovery voyages along West Africa

USI.4a Regions explored by Spain, France, England, & the Portuguese

Teacher tips:

You will need 2 sheets of 8 $\frac{1}{2}$ " x 11" colorful paper.

1. Fold each piece, hot dog style, and cut apart to make (4) 4 $\frac{1}{4}$ " x 11 sheets.
2. Fold each paper, hamburger fold, leaving a $\frac{1}{2}$ " tab on the top side. Fold the tab over top and then crease it back so it extends in the opposite direction.
3. Form an accordion fold by gluing the straight edge of one part into the valley of the other sheet's tab. Glue all 4 sheets together in this fashion. For more explicit directions and a visual on accordion folds, refer to *Dinah Zike's Big Book of Social Studies* or *Big Book of Books*.
4. Glue the title : Explorers: Regions Explored
5. Glue in place the other boxes, with the map to the left of the corresponding explorer/information page. Refer to the Curriculum Framework, pages 10 and 11, for specific details.
6. Use colored pencils to shade the region explored in each mini map to correspond to the explorer/area explored.
7. Students may add additional drawings and information.
